James Lam Scheuren,

I will never get tired and you will never get tired of me.

February 25 - March 25, 2022

opening reception: Friday, February 25, 5 - 7pm

The exhibition *I will never get tired and you will never get tired of me.* features new photographs and films by James Lam Scheuren including a collaborative series of silver prints with composer and intermedia artist Alex Christie. The title, from an advertisement recited by the Edison Phonograph for itself, plays upon the never fulfilled utopian promise of technology with the new as the always same.

This exhibition is sponsored by the generosity of the UVA Arts Council.

ABOUT THE ARTIST

James Lam Scheuren is an artist working in photography and motion picture whose work concerns how material culture exists to shape perception and the economy. He has had solo shows at the University of Vermont, Texas State University, and the University of Virginia and participated in national and international group exhibitions. Scheuren has been awarded residencies at the Skowhegan School of Painting and Sculpture, Vermont Studio Center, and Jentel Artist Residency. He teaches photography at the University of Virginia.

RUFFIN GALLERY AT THE UNIVERSITY OF VIRGINIA

Since 2008, the Ruffin Gallery is an active part of the Studio Art program. Each year the gallery hosts four to six exhibits that serve as the University's most important showcase for contemporary art and are an integral part of the Studio Art experience. Students are involved with the production and installation of these exhibitions and gain valuable experience in the handling and hanging of important works of all types. The gallery hosts a show by each year's Ruffin Distinguished Artist-in-Residence. Every spring the gallery is the site of the Fourth-Year Thesis and Aunspaugh Fellows Exhibitions. The openings are important occasions when the whole studio program gathers to celebrate the successful completion of the major. In addition to the Ruffin Gallery, student and visiting artist work is frequently shown in the RuffStuff and Media Galleries on the first floor of Ruffin Hall.
